Experience

Service

Restaurants Unlimited Inc.   **Portland, OR**

Servers' Assistant & Food Quality Specialist, Portland City Grill   *2013-2014*

Responsible for timely delivery of food to restaurant guests. Ensured that food met high quality standards before leaving the kitchen. Facilitated communication between restaurant guests and chefs to maximize the quality of guests' dining experience.

Restaurants Unlimited Inc.   **Seattle, WA**

Servers' Assistant & Host, Palisade   *2013*

Ensured that guests enjoyed high quality visits to the restaurant from start to finish. Seated guests smoothly and efficiently to avoid delays. Ensured that guests' tables were clean and orderly throughout all stages of their meals. Assisted servers in all other work that was necessary to ensure they could perform their jobs to the best of their ability.

Teaching

Reed College   **Portland, OR**

Teacher's Assistant & Tutor, Academic Support Services   *2014-2016*

Oversaw introductory computational biology and genomics labs. Tutored undergraduates in computational biology, introductory computer science, and biology. Co-taught a cocurricular leadership course to undergraduates for the Reed Leadership Academy.

Reed College   **Portland, OR**

Lead Teacher, Reed Science Outreach   *2012-2016*

Developed and taught science curriculum to students at low-income elementary and middle schools in Portland. Acted as a mentor and role model for at-risk students. Coordinated directly with program manager and classroom teachers to ensure the highest quality of lessons possible for students.

Education

Reed College   **Portland, OR**

B.A. Mathematics & Biology   *2012-2016*

Main subjects: Computer Science, Computational Biology, Genomics, Statistics
